A huge summer for Trenton Federal Credit Union!

"I didn't think I could join your credit union if I don't live in Trenton"

That is one of the most common comments we hear from new and potential members. Trenton Federal Credit Union continues to grow. Our membership now spreads through all the communities that make up the downriver area. Our goal is to be the best credit union in the downriver area. To be the best credit union people need to know that they can join our credit union. We needed a name that is inviting to everybody who lives in the downriver area. This summer we will be changing our name from Trenton Federal Credit Union to Shore to Shore Community Federal Credit Union. Here is a peak at our new look!

A new name with the same mission.

Trenton Federal Credit Union's mission is to improve our member's lives by providing quality products and superior service, to improve our employee's lives by providing a positive and stable work environment, and to improve the communities we live and work in.

Watch for the dates of events happening later this year in our next newsletter!

To be the best credit union in the downriver community we need to have the best technology! To achieve this we will be going through a system upgrade this summer. We will be closed on **Monday, August 2nd** to complete the upgrade. **Please carefully read both sides of this newsletter and watch your mail for further updates.**

Sincerely,
Jon Looman
