Top 7 Reasons to Switch to e-Statements:

1. SECURITY – Theft of paper mail is the leading cause of identity theft in the U.S. E-Statements are secured with leading security features, such as Multi-Factor Enhanced Authentication.

2. SPEED – With e-Statements members will have access to their statements the first of every month. Paper mail could result in members not receiving their statements until half-way through the following month.

3. CONVENIENCE – Have full access to your statements and account information at the tip of your fingers.

4. GO GREEN – Not only do e-Statements help our members, but they help the environment.

5. SAVINGS – E-Statements are cheaper for the Credit Union to produce. We can give this savings back to our members with competitive rates and services.

6. RETENTION – Once you have signed up for e-Statements all of your statements from that point forward are stored within your Virtual Branch. Avoid the cost of re-printing your statements with us, and simply log-on to e-Statements to find any information you need in your archived statements.

7. FREE ID THEFT PROTECTION – Aside from all of the great benefits above, Trenton Federal Credit Union will give you something extra. Every e-Statement user receives Free ID Protection.

Check out Virtual Branch within the next couple of months to see our new updated layout!

To enroll in e-Statements, simply fill out the form below and send it to any of our three offices. To get started now, log on to Virtual Branch and the e-Statements link will be on the left-hand side in your navigation pane. Once you are signed up, it takes about 30 days for your statement to be available online.

CREDIT UNION MEMBERS Save Even More on Chrysler, Dodge and Jeep Vehicles

Getting revved up to buy a new car? Your credit union has teamed up with Chrysler to bring you a great deal on new Chrysler, Dodge and Jeep vehicles.

Chrysler recently announced their new Employee Pricing discount. But as a credit union member, you can save up to an additional \$1,000 through cash allowances when you finance your auto loan with Trenton Federal Credit Union, depending on which vehicle you choose. Plus, if there are other incentives on your model, you'll get those as well! Save even more money with our low auto loan rates when you finance through us. Talk to a credit union representative to get pre-approved before you head to the dealer.

Getting a cash allowance couldn't be easier. Just go to lovemycreditunion.org for complete details including a list of qualifying vehicles and incentives. To qualify for the Credit Union Member Cash program, simply let your Chrysler, Dodge or Jeep dealer know you are financing your new vehicle through your credit union.

When you buy an American car and finance it through a credit union, you're doing your part of Invest in America.

Go to lovemycreditunion.org today for more information on the Credit Union Member Cash.

* Cash Allowance varies by model and model year. Not all vehicles qualify. See dealer for details. Consumers must purchase or lease an eligible Chrysler vehicle through a franchised Chrysler, Dodge or Jeep dealer and finance this vehicle through a participating credit union by 6/30/09 to qualify for the cash allowance.
